

Instructions for Applicant Form and Order Form

ANY MODIFICATIONS TO THESE FORMS ARE NOT ACCEPTABLE!

This document is for individuals **applying** for a position. Please complete the forms on the next two pages.

FORMS: Please complete one “Applicant Form” for each field you wish to be listed in. A three-page vita will also be accepted as an addendum to your listing. One consolidated “Order Form” – all fields listed on one order form – is also required. **Forms must be mailed with payment** – there is no on-line submission. For a professional appearance, use a dark blue or black ink or type; filling in by hand is not recommended.

FEES: If you wish to be listed in more than one discipline (such as Management and International), the charge will be \$15 for **EACH** listing in a discipline. Any addendum longer than three pages will be truncated to avoid additional reproduction costs unless a \$5 per page fee is paid. (e.g., a five page Vita is an additional \$10 charge.)

SUBMISSION: Completed forms and fees should be received by the Placement Director no later than **October 3, 2008**. **Do not mail any submissions after this date**. Late submissions will not be included in the pre-conference listings and also risk not arriving in time for the conference. It is better to register at the conference than submit late. You should allow 6 days for USPS delivery. Make your check payable to “SMA PLACEMENT SERVICES.” We do not accept faxed forms; they usually reproduce poorly. Please submit forms and payment to:

PAYMENT RESTRICTIONS: Placement Services does not accept credit cards and does not provide vouchers or invoices. Our **tax-exempt number is 58-1295483**.

DO NOT CHANGE THE FORMATTING! We **will not** accept modified forms. Just fill in as set up; be careful that all of your information is visible on the screen.
